

Metal Surfaces Need Smooth Durable Coats

And These Are Just The Kind Which

Sherwin-Williams Pure Acheson Graphite Paint

gives. It insures durability because the pigment is absolutely inert, and the Sherwin-Williams Linseed Oil gives the maximum of linseed oil life. Being more finely ground than other graphites, the pigment in this paint spreads more evenly.

IMPEACHMENT OF IAUKEA

(Continued from Page 1)
The public as well, for I have nothing to hide. As long as I am able to do what I think is right and to be above-board in everything, I do not fear the action which some of the members of the Board of Supervisors may take.
"I have been in public service for the past 25 years and there has never come to my notice in this or in any other country such actions on the part of public officials as I have seen of late. I feel that the police have done their duty though they have been greatly handicapped by the cutting of the appropriation by the Supervisors, and when that is said there is little more to be considered. I have almost completed a statement showing the number of arrests which have been made in the city during the past two months and a comparison between that and the record for the corresponding two months of last year should prove interesting.
"You can say from me that I feel that my office is on a par with and not subordinate to the Board of Supervisors. The Police Department is not a creation of the Board but a creation of the law, and I shall carry on the work here as I see fit and shall not submit to dictation at the hands of the Board."

Rockefeller last year made \$1.90 every time his watch ticked. Mr. Rockefeller wound his watch regularly.

SPORTS MANY ENTRIES FOR MEET ON SATURDAY

Sam Hop Barred Out Of Championships By Committee

The postponed meeting of the executive committee which has charge of the annual track meet for the championship of the Hawaiian Islands was held last night at the Y. M. C. A. The only important business transacted was the barring out of Sam Hop, who has fought a number of contests in the local prize ring, from the list of contestants. He had entered in the mile walk. This leaves only two entries in the event, which will count no points in the meet. A number of entries which were not sent in before the meet were closed were brought up for consideration but were not allowed a place on the program by the committee.

Teams have been entered in the various events by the following clubs: Kanehameha Alumni, St. Louis College, Oahu College, the Diamond Head Athletic Club and the Chinese Athletic Club.
